

ESTIMATED TENNESSEE RECONNECT AWARD CALCULATOR

This calculator may be used to estimate a Tennessee Reconnect award amount at APSU. You will need to include estimates of any Tennessee Lottery scholarships, Pell Grant, or Tennessee Student Assistance Award funds you expect to receive.

This calculator is based upon costs for one semester. Therefore, your estimated funds should be entered for one semester. For example, a \$3,500.00 Lottery Hope award would be entered as \$1,750.00 for the semester.

This calculator does not include potential academic scholarships, outside scholarships, supplemental grants, federal work study or federal direct loans. These funds are not used in the calculation of the Tennessee Reconnect Scholarship.

The 2017-2018 average cost of full time TN Community College tuition & fees is dependent upon your enrollment level in the appropriate credit hours. The payment limits would be the maximum amount of TN Reconnect payment (less gift aid) allowed at Austin Peay State University.

Select amount of hours enrolled:
