Faculty Qualifications Matrix

APSU Course Rubric	Division	Qualifying Credentials	Qualifying Disciplines	Acceptable Alternative Qualifications	GTA Instructor of Record
AHS 1010; RLTN 2050	Lower Division	Master's degree in medical field with appropriate certification and licensure	**Nursing, Radiologic Technology, Medical Laboratory Science, Medical Technology, Respiratory Therapy, Physical Therapy	Bachelor's degree in medical field with appropriate licensure and 5 years experience in that field.	
AHS 3100; MTEC 3000 - 4000	Upper Division	Doctorate of Clinical Laboratory Science (DCLS) or Ph.D in a related field with national certification MLS(ASCP) or MT(ASCP) and TN State Licensure.	Medical Laboratory Science (MLS), Medical Technology (MT), or related field.	Master's degree in MLS, MT, or related field with national certification MLS(ASCP) or MT(ASCP), and TN State Licensure.	
MTEC 5000+	Graduate Division	Doctorate of Clinical Laboratory Science (DCLS) or Ph.D in a related field with national certification MLS(ASCP) or MT(ASCP) and TN State Licensure.	Medical Laboratory Science (MLS), Medical Technology (MT), or related field.	Master's degree in MLS, MT, or related field with national certification MLS(ASCP) or MT(ASCP), and TN State Licensure with at least 18 additional graduate hours in medical laboratory science or a related discipline.	Bachelor's degree in MLS or MT (or a related discipline) and at least 18 graduate semester hours in the discipline. As a part of APSU's mission we want to allow graduate students the opportunity to pursue serving as an instructor of record to develop a skillset that can prepare them for their future career (See GTA Policy for more details). Must have a designated faculty supervisor in the teaching discipline, regular in-service training, and planned evaluations.
RLTN 3000 - 4000 Radiography	Upper Division	Master's degree in any field*, Bachelor's degree in a related discipline, and national certification in Radiography for radiography courses through the American Registry of Radiologic Technologists (ARRT).	Any Related Discipline	Bachelor's degree and certified by the ARRT in Radiography plus 5 years experience as a Radiographer.	
RLTN 3000 - 4000 Radiation Therapy	Upper Division	Master's degree in any field*, Bachelor's degree in a related discipline, and national certification in Radiation Therapy for radiation therapy courses through the American Registry of Radiologic Technologists (ARRT).	Any Related Discipline	Bachelor's degree and certified by the ARRT in Radiation Therapy plus 5 years experience in Radiation Therapy.	
RLTN 3000 - 4000 Nuclear Medicine	Upper Division	Master's degree in a related discipline and national certification in nuclear medicine technology for nuclear medicine courses through the American Registry of Radiologic Technologists (ARRT) or Nuclear Medicine Technology Certification Board (NMTCB).	Any Related Discipline	Bachelor's degree and certified by the ARRT or NMTCB in Nuclear Medicine plus 5 years clinical experience in Nuclear Medicine.	

*The Bachelor's degree is the terminal degree for these fields, so there is not a "related discipline".

**These are introductory courses to medical professions and terminology, which makes all of these qualifying disciplines.
