The ESL Institute offers local businesses classes for employees and their families customized classes.

Business Communication English

Basic English communication skills make you competitive in the global business market. This class covers real business situations and relevant discussion topics.

Business English for Executives

Prepare for success by increasing your English proficiency and knowledge of American business culture.

General English for Employees and Families

Focus on the basics of the English language: listening, speaking, reading, and writing skills. Great for the entire family: employees, spouses, and children.

- Group or 1-on-1 individual classes available
- Highly motivated and experienced instructors
- Coursework designed for individual language goals
- Location: workplace, ESL Institute, or at employee's home*
