The ESL Institute offers local businesses classes for their employees and those family members customized classes with flexible times and content to accommodate work schedules and desired language skills.

### **Business Communication English**

English communication skills that make you competitive in global business. It covers real business situations and relevant discussion topics in your company.

### **Business English for Executives**

Increase your carrier specific English proficiency to achieve maximum results. Be confident in English language and American business culture and be sure you are prepared for success.

### **General English for employees and their family**

Focus on the basics of the English language: listening, speaking, reading, and writing skills. That course is great for the entire family: employees, their spouses, and children.

- Intensive courses include homework and exams
- Group or 1-on-1 individual classes are available
- Highly motivated and experienced instructors
- Course work will be designed for your individual language goal
- Location: workplace, ESL Institute or at the employees home \*
