Students cannot borrow loans or receive financial aid in excess of their budget (financial aid cost of attendance). If a student has not received their maximum award due to meeting their budget, they may complete a budget increase request.

Note: If you have received your maximum loan amounts, a budget increase will likely not be approved.

Please check the box(es) for which you are requesting a budget increase.

- Computer Purchase:** If you purchased or rented a computer during the current academic year or the summer prior to 2020-2021 enrollment, you may request a budget increase. Increases may be approved for the actual amount of the purchase or rental. **You may only receive one budget increase for a computer purchase per academic year.**

Required Documentation:

- Receipt detailing the purchase or rental. The receipt must be dated computer during the current academic year or the summer prior to the fall semester.

- Campus Housing:** Complete this option if you initially indicated on your FAFSA you would live at home with your parent or relatives, but you are registered for housing on Austin Peay's campus.

- Disability-Related Expenses:** We can only increase your budget to allow for educational expenses required to attend school that are not covered by other sources of funding such as vocational rehabilitation. - Itemized estimate for your repairs.

- Room and Board:** This option is for less-than-half-time students and may only be used for up to three semesters, with no more than two of the semesters being consecutive.
