GRADUATE ASSISTANTSHIP

Scholarship Award in Addition to the GA Scholarship

Under the current guidelines of the College of Graduate Studies, graduate students who are appointed a graduate assistantship may be granted additional non-GA scholarship awards. All university scholarship sources and associated obligations must be reported upon acceptance of ALL scholarships to the Dean of the College of Graduate Studies. This form must be completed and submitted to the Graduate Dean **immediately** after the additional scholarship has been accepted by the graduate assistant. This form must be submitted within five (5) business days of award acceptance. If not, possible disciplinary actions will be taken.
