Downloading LinkedIn Learning Certificates
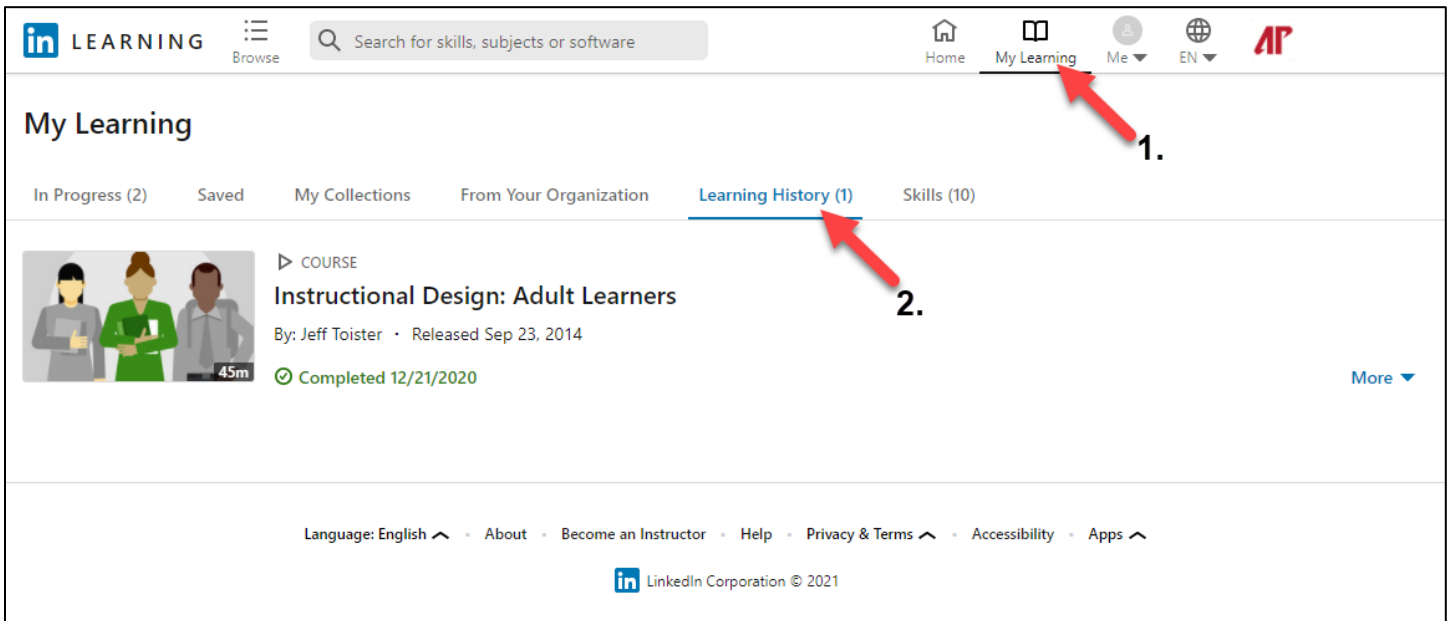

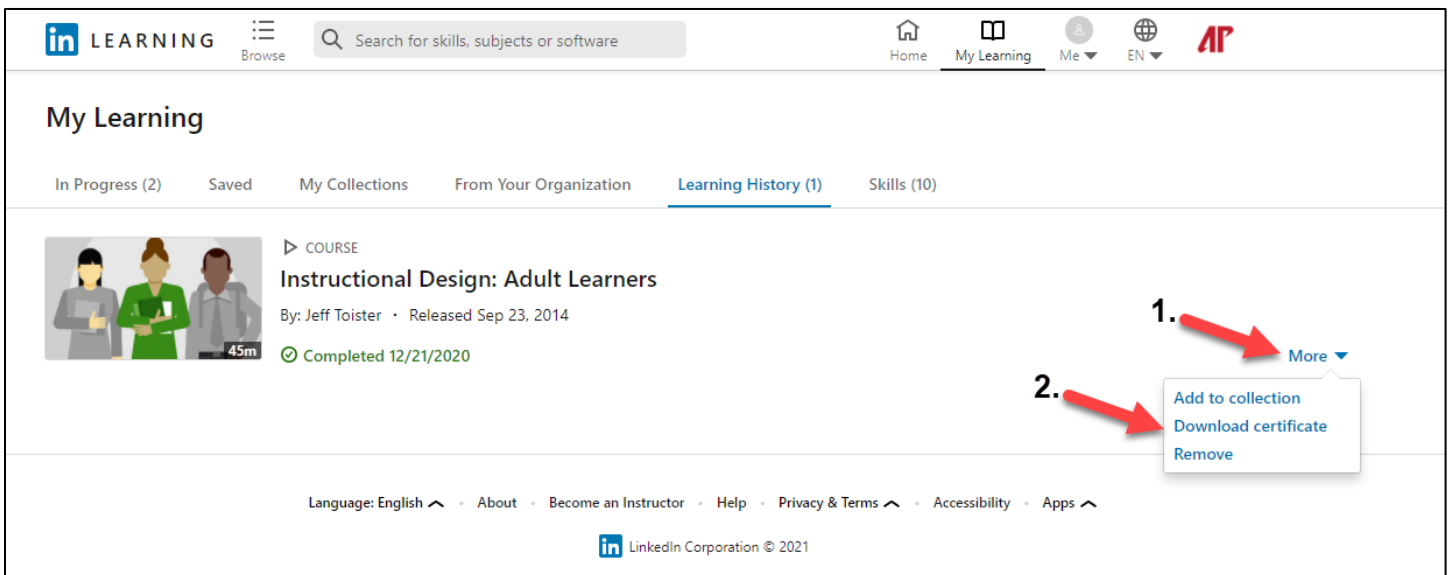

1. Login to you APSU LinkedIn Learning Account. For help with this, please see this StepSheet.
2. Click on "My Learning" in the top menu bar, and then click on "Learning History" tab.

3. On each course you completed, there is a "More" option on the right side of the screen. Click "More" and then "Download certificate" from the dropdown menu.

4. Click "Download" on the popup window, and the certificate should download to your computer for your records.
