

APSU Distance Education Vendors

Privacy Policies and Accessibility Statements

Please review this document for links to the privacy and accessibility policies/statements/documentation for Distance Education's current vendors. These policies might update and vendors may be added/removed. Vendors may also change links without notifying Distance Education. If you cannot find information or a link is broken, please notify Distance Education.

For any questions regarding the information below, please contact Distance Education Support at online@apsu.edu or (931) 221-6625
