

Honorlock

CHECKLIST

Ready to conquer your exam with Honorlock? Ensure that you're ready for testing with these recommendations.

-  **Become Chrome-tastic**
Honorlock requires the Google Chrome browser. Ensure your Google Chrome browser is up-to-date on your computer.
-  **Check your system requirements**
Is your computer packing enough punch? See if your device meets Honorlock's system requirements.
-  **Honorlock Chrome Extension**
Is the Honorlock Chrome extension asking for a password even though it's already installed? Don't fret! Just uninstall and reinstall the extension.
-  **Take the HonorPrep Tour**
The Honorlock HonorPrep Guided Tour is there to help you prepare! It's packed with valuable info to navigate the testing platform like a boss. Take the tour, absorb the knowledge, and become a testing pro!
-  **Chat with Honorlock Support**
If issues persist while taking your exam, don't hesitate to contact the Honorlock Support by clicking the "Chat" option.
