

Q&A ITB 25-010

- ½ Rate of Pre-emergent + Broadleaf weed control (**What specific pre-emergent and broadleaf herbicide**)

Looking for bidder's recommendations.

- Mow, weed eat, and edge the field (**How many times per month?**)

Mow 1-2 times a week depending on the season / never seen anyone weed eat / edge at least once every 1-2 months

- Line field for Soccer or Lacrosse when ask by coaching staff (**How many times per month?**)

Line softball field day before game

- Paint logos on field when ask. (**How often?**)

Probably only for senior weekend or ASUN play

- Provide irrigation support and maintenance as needed (**What exactly is meant by support?**)

Making sure we are able to run our system programs / ensure no leaking underground

Provide fertilizing, aerification, maintenance as needed (**What type of fertilizer and rate of use? What method of aerification? What other maintenance?**)

Typically seasonal
