Word Count = Text, footnotes, and references

THE ABSTRACT IS THE TITLE OF THE PAPER/ARTICLE AS A HEADING IN ALL CAPS

The abstract (**if requested by your instructor**) should only be ONE paragraph and 200 words or less. It should be a short summary of your paper.

Keywords: 3-5 keywords (these are generally used to index an article when published so you may not need them. Add them if requested by your instructor)

FIRST LEVEL HEADING IN ALL CAPS

This Is an Italicized Second-level Header

If you have another sub-section, indent it like this and italicize. Text for this section comes immediately after the sub-heading's period.

SECTION HEADING

The first paragraph of a section should not be indented. The indented paragraphs would begin with the second paragraph.

This is the second paragraph so this and following paragraphs would be indented. **If your instructor tells you to organize this in a different way, follow your instructor's guidelines.**
